## DATA ANALYST INTERN

0337-389-662

Gò Vấp, TP Hồ Chí Minh

vietthanh6661@gmail.com

### ABOUT ME

I'm a third-year student majoring in Data Mining. I have solid skills in data collection, preprocessing, and analysis. I am very eager to have the opportunity to intern at this company to absorb practical knowledge and develop myself in a business environment. Additionally, if possible, I would like to continue working with the company after the internship period if the work environment is suitable and offers me valuable experiences.

### SKILLS

- **Technical Skills:** SQL, Python, Power BI, Excel.
- **Specialized Skills:** Analytical, Data Processing, Data Collection.
- **Soft Skills:** Time management, Teamwork, Basic English Communication.

### PERSONAL PROJECT
